I was troubled for about a year by disordered kidneys, the most annoying feature of my case being a too frequent desire to pass the kidney secretions. This weakness was thoroughly corrected by the use of Doan's Kidney Pills which I procured at the Center Block Pharmacy. Since that time I have had a few slight recurrences of the difficulty but at such times I have taken Doan's Kidney Pills and they have never failed to have the desired effect. My opinion of Doan's Kidney Pills has not changed in the least since I first recommended them."

DOUBLE-HEADER BASKET BALL GAME EXCITING

ENTHUSIASTIC STUDENTS PACK Y. M. C. A. GYMNASIUM

GIRLS AND BOYS PLAY

Teams Representing Normal University Win Contests, Although Result in Both Events Was Close Enough to Keep Interest at High Pitch—Individual Playing a Feature.

An enthusiastic crowd gathered at the Y. M. C. A. gymnasium last night to witness the opening games of the basketball season in Las Vegas. The games were played between the boys and girls' teams of the high school and the boys and girls' teams of the Normal university. The first game was called at five minutes past eight, the girls' team taking the field first. The game was snappy and full of good plays, the Normal girls being victorious by a score of 9 to 7. The high school girls made a good finish, the score at the end of the first half being 5 to 1 in favor of the Purple and White or the Normal team. The girls from the Castle school showed their usual good form and kept the ball around their goal the majority of the time. While their passing of the ball was clever they were unfortunate in throwing baskets. In the second half the ball was kept nearly through the entire half around the high school goal. Miss Marie Maloney's work was the feature of the high school's team while Miss Trahey did the best work for the Normals. There were times during the game when the playing could have been more careful as at times there was considerable shoving and pushing. The teams lined up as follows:

High school—Opal Jones, center, (captain); Marie Maloney, and Louise Wells, guards; Phoebe Hart and Audrey Burns, forwards.

Normals—Matilda Ehrlich, center; Nora Trahey, forward, (captain); Josephine Young, forward; Marguerite Duerr and Sadie Tooker, guards. Louise Trahey and Mary Hays substitutes.

The second game between the two boys' teams brought out on the field many of last year's favorites on the basketball field. The teams were well matched and played about equal as the final score indicates, the Normal carrying off the honors by a score of 28 to 26. Considering this was the first game of the season the boys of both teams showed good form and should greatly improve as more games are played. Webb and Pritchett for the high school showed that they have lost none of their last year's form, the two doing some clever work. Webb in the first half making three successive baskets from the field before the Normal boys scored a point. Ellis for the Normals was the gladiator of the field at all times but was cleverly assisted in many plays by the active work and hard playing of Claire Koogler. The teams lined up as follows:

High school—John Webb, center, Frank Winters, and C. Cundiff, forwards; George Pritchett (captain), and Thomas Bentley guards. Tom Truder and Emil Clements relieved Cundiff and Bentley in the second half.

Normals—Arthur Comstock, center; Carl Ellis (captain) and Claire Koogler, forwards; Arthur Behringer and George Gilchrist guards.

Officials—Orrin Blood, O. G. Yerbury, Harry Lorenzen, John Koogler and Ted Hayward, the latter two acting as timekeepers.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

III Health is More Expensive Than Any Cure

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's Cough Remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by all dealers.

A Religious Author's Statement

Rev. Joseph H. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully commend Foley's Kidney Remedy. Red Cross Drug Co. and O. C. The Correct Time

to stop a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough.
